INTI College Table Tennis Team has been selected to represent Malaysia in the upcoming *International Table Tennis Championship* in Jakarta, Indonesia on August 20 – 24, 2003. The Championship held for the fifth time is also known as the *Indocement Heidelberg Cup 2003*.

“It is indeed an honour for INTI College to represent Malaysia in a reputable international sports tournament,” said Mr Tan Yew Sing, President of INTI International Group of Colleges in a simple flag presentation ceremony after the INTI Table Tennis Open Championship 2003.

This is a first for an education institution to carry the flag of Malaysia in a world-class table tennis tournament. Also present to witness the ceremony was Mr Chan Foong Keong, Secretary of Table Tennis Association of Malaysia (TTAM).

INTI College Malaysia will be sending two teams comprising Qi QuanCai, Ng Shiu Leong and Chan Kee Chien for the men’s team and Yao LinJing, Beh Lee Wei and Ng Sock Khim for the women’s team.

Last year, INTI College Malaysia emerged as the overall champion in the TTAM National Table Tennis League 2002, beating one of the best table tennis teams in Malaysia, Pu Xian.

In 2001, INTI College signed a Memorandum of Understanding with TTAM to offer sports scholarship to national table tennis players.
